PROFESSIONAL EXPERIENCE

Ms. deRaatt is a Senior Associate with the firm. Her experience with the Princeton Economics Group includes research and analysis of antitrust issues arising from price fixing, monopolization, monopsonization, and proposed mergers and acquisitions. Ms. deRaatt also has experience in complex survey design and analysis.

Ms. deRaatt received her B.S. *magna cum laude* with a major in applied economics from Cornell University in 2000. She is a candidate for the M.S. degree in Statistics at Rutgers University in New Brunswick. She has completed graduate coursework in statistical analysis of categorical, times-series, and longitudinal data, as well as coursework in survey design and analysis. Prior to joining the Princeton Economics Group, Ms. deRaatt worked as a Research Analyst at Thomson Financial where she conducted research on domestic mergers and acquisitions.
